GPA: 4.02/5.0 | Top 8%
· Selected Coursework: Intercultural Communication (97/100), Modern Chinese (95/100), Communication Theory (90/100), Chinese Writing (90/100)
· Honors & Awards: First-Class University Scholarship; Outstanding Student; Outstanding Student Leader; National Second Prize, National College English Translation Competition

INTERNSHIP EXPERIENCE

China Radio International (CRI), Jiangsu Branch **Nanjing, China**
New Media Operations Intern Jul 2025 – Aug 2025
· Content Planning & Production: Participated in the Jiangsu Super League (Su Chao) content project, developing and producing 7 short-form videos around U20 players, international visitors, behind-the-scenes stories, and city culture; integrated official, UGC, and tourism resources for content production.
· Interview & Multi-format Content: Participated in on-site interviews and content collection under mentor guidance, while contributing to short-form video, horizontal video, and editorial content production.
· Performance & Optimization: Monitored content performance and refined material selection and messaging based on engagement data; the 7-post series generated 6,640+ likes and 6,000+ interactions, with the top-performing video reaching 5,126 likes, 52 comments, 109 saves, and 22 shares.

PROJECT EXPERIENCE

Roborock | Overseas Market & GTM Independent Case Study **Sep 2026**
Independent Case Study · Portfolio
· Market Research: Analyzed North America, Europe, and APAC through product, user feedback, channel, content, and competitive evidence, identifying regional market characteristics, user needs, and trust factors.
· GTM Strategy: Connected regional market differences with product value, user trust, channels, and Creator content to assess overseas growth mechanisms and develop Regional Go-to-Market recommendations.

PETLIBRO | Overseas Creator & Content Strategy Independent Case Study **Sep 2026**
Independent Case Study · Portfolio
· Creator & Content Research: Analyzed pet-brand Creator content across TikTok and YouTube, examining content hooks, user needs, product communication, and Creator–audience dynamics to identify recurring content patterns and differences.
· Strategy Development: Built frameworks for Creator selection, content briefing, 30-day execution, and measurement, mapping the path from content exposure and product understanding to user consideration.

"Let's Talk About the Weather" | Environmental Content Project **Nanjing, China**
Founder & Content Operations Aug 2026 – Sep 2026
· Audience & Content Positioning: Researched environmental and urban topics and designed a two-section content framework for Chinese learners with different information and language needs.
· End-to-End Production & Optimization: Managed topic selection, copywriting, AI-assisted visuals, layout, and publishing; produced 6 posts in 5 days, generating 600+ reads and 37 new followers, and refined subsequent topics based on engagement feedback.

CAMPUS EXPERIENCE

NUIST Student Media Center – Student Reporter Team **Nanjing, China**
Deputy Minister Sep 2023 – Sep 2025
· Project Coordination & Delivery: Coordinated photography coverage for 20+ university events, including International Chinese Language Day; assigned 5 photographers and managed on-site collection and post-production delivery, with selected footage adopted by official platforms of the Center for Language Education and Cooperation.
· Team Training & Process Optimization: Designed and delivered 5 photography workshops for 25+ members, establishing reusable workflows for pre-event information gathering, key-moment planning, task allocation, and asset organization to support standardized team delivery.
